

PETER BLUM GALLERY

Gallerist

March 17, 2014
Andrew Russeth, writer

Opening: “Esther Kläs: Palomar” at Peter Blum

The wily German-born artist Esther Kläs, whose rough-hewn geometric sculptures often like they have mysterious architectural functions – if only you could figure them out! – presents her second show at the gallery.

Peter Blum, 20 West 57th Street, New York, 6-8 p.m.
